TO THE TRADE:-

(IF YOU HAVE ANY OF OUR SHIPPING CANS)
(PLEASE FAVOR US BY RETURNING AT ONCE!!!)

We have had a cold winter in spite of early prospects to the contrary, but Spring is going to be here within a few weeks and the rush for outdoor pool supplies will soon begin. There have been several delays in the printing of our New Catalogue, but it will be mailed so you have it the last week of this month. Over 150 items for pools and aquariums are listed and described fully.

There will be a considerable saving by ordering Goldfish for shipment during March or early in April, as we can put a lot more fish in a standard can while the water is cold. We give you BEST QUALITY at money saving prices, and we quote here a few leading items at prices now in effect, so that you can order now if you need any of them before the catalogue arrives.

TERMS: 5% Discount on all early orders paid full cash with order, and received before April 15. Live delivery guaranteed on all perishable items except Tropical Fish shipped during cold weather. Prices F.O.B. Cincinnati, Ohio, subject to change without notice. NOTE: Please return our shipping cans including any you now have on hand.
